For payment of any cash awards throughout the season, the top of the tech card MUST be completely filled out and signed each race day. If it is not, there will be a delay while we mail the incomplete card to you for completion. No payments will be made until the completed form is submitted. The annual fee must be paid before a racer is able to accumulate points. No points will be awarded until you have joined the Points Program. These forms may be mailed to the office or brought to the tower on race days. All forms must be accompanied by payment in full. This fee allows you to earn points in one class only.
